

# Non-Profit Solutions

We help service-based, non-profits achieve their goals in assisting those in need. Through our services, non-profits are able to secure necessary funding, hire the right people, manage their finances and install best practice business tools.

## EDSI Can Help

EDSI aims to relieve our customers of the burdensome and time-consuming requirements of running all aspects of their non-profit organization. We have the experience and expertise to fully manage grant writing, HR solutions and financial responsibilities. Focus on what you do best – helping people – and we'll partner together to help your organization grow and prosper. EDSI has over 40 years of experience in soliciting RFPs, managing grant funding and hiring/training qualified individuals with a passion for helping those in need.

### Grant Writing

- Funding Acquisition
- Subject Matter Expert Writers
- Guided Process from Creation to Submission

### HR

- Full-Service Recruitment
- Job Description Development
- Customized Training Development

### Finance

- Budgeting and Planning
- Payables and Receivables
- Reporting

## Mission Statement

**We must strive to create enthusiasm in our clients, see through their eyes, understand their needs and deliver more than they expect.**

## Let's Connect

We'd love to hear from you. We'll listen to your needs and help you find your solution.
